PRINCIPAL’S MESSAGE

Dear parents and caregivers

Showcase
Just another great big thank you to all the staff and students involved in showcase it was amazing.

School Photographs
The school photographs are running late as I have not approved the photos on the cover as they were not reflective of our beautiful school, due to dull weather on the day. The photographs for the front cover were retaken on Tuesday and I have approved them so the photographs should arrive soon. As families are paying money I want to ensure they get quality.
As soon as we get them they will be distributed.

The Cardboard Challenge Make Off – 3/4VP, 4A, 5/6C & 6H
The students who attended the Cardboard challenge make off at McCallums Hill found the day to be inspirational, creative and very social. The teachers engaged in Professional Learning with Dr Jane Hunter where they focused on high possibility classrooms. There were 7 other schools from the Ultimo Group participating on the day. Please see photos on the back page.

School Grounds
I am sure you would agree that the school grounds are improving all the time. Mr Frank, Mr Yuri and Mr Tony have been working hard to ensure that trees are cut down for security purposes and so the school looks neat. I think you would agree with me that the driveway looks sensational.
Thanks to our great GA team.

90 Anniversary Morning Tea and Viewing of Showcase
Please see below the article from the newspaper regarding the 90 Anniversary Morning Tea. I would like to extend a very big thank you to Ms Turnbull and Ms Lazos for their organisation and Mr Rangiah for initiating the event. Thank you also to all other executives for making themselves available on the day to engage with our guests.
Have a great weekend.
Ms Genelle Goldfinch
Principal
KG & KF CLASS REPORT

Students in KG and KF have been practising fundamental movement skills during sport this term. They enjoy rotating around a variety of activities which allow them to improve their skills in balancing, jumping, throwing and catching. Inside the classroom we have been busy reading fairy tales, writing recounts and creating related artworks. ‘Jack and the Beanstalk’ is one of our favourites.
