Swim for Life Program

Dear parents and caregivers,

During term 4 we will be participating in the Swim for Life Program at Mounties pool. There are 17 places available for children to participate.

The program costs $67.50 lump sum or $7.50 each week. Children participating in the program will learn basic skills that are needed for water safety. The pool is heated and indoors.

Qualified teaching instructors will teach groups of up to 9 students, so that student learning outcomes are maximised.

Swimming will take place every Monday between 12:00 – 1:00pm, starting from Monday 13/10/14 and concluding on Monday 8/12/14. Students are required to bring a costume, towel and a change of clothes. Travel will be by bus, provided free of charge by Mounties.

If you would like your child to participate in this program, please fill out the information below and return it to school as soon as possible. Numbers are limited, therefore we can only take the first 17 children who return notes.

Ms G Goldinich
Principal

Ms D Lazos
Assistant Principal

Swim for Life Program

I ____________________________________________ allow my child ____________________________ to participate in the Mounties swimming program. I am willing to pay $67.50 lump sum or $7.50 each week. I understand the program will run from Monday 13/10/14 to Monday 8/12/14 and that travel will be by bus.
